Dear Sir:

I received your order for the Easter Lillies and they were placed on the graves on Sunday morning.

The Ivy plants are \$6.00 per dozen and it will take one dozen for each grave. It might be well to wait for several weeks and see how the old plants come out.

Very truly yours,

Supt.

Mr. Ex Norton,

Brunswick, Georgia.

Dear Sir:

I am enclosing the receipt for the \$25.00 as requested and the portion of the plot disturbed by the recent interment has been sodded over. This will probably settle down more or less for the next month or so and it would be unwise to plant the IVY before that time. I found it necessary to remove the IVY from the next grave as it caved in to the new grave. It would probably be better to plant new DVY on all the graves as it will then be uniform. Thanking you for your kindness, I remain,

Very truly yours,

Supt.

Dear Sir:

The tree arrived yesterday afternoon and I had it planted at once. The old tree is about eight feet from the ground and the new one about ten feet. Have cut off about two feet from the new one but it had such a fine top, I hated to cut off any more.

If you find that you wish more cut off, I will be glad to do it later. The tree had a fine ball of dirt on the roots and should grow.

Very truly yours,
