Dear Sir

We recd notice
from the E. Co that the Box of goods sent
you were still in their office - and that you
refused to take them out, as you thought
the goods were to be delivered at 7⁰⁰ I don't
think our agent McCash agreed to deliver the
goods at that price - I have written the E. Co
to let you have the Box at 7⁰⁰ rather than
have the goods returned. - Hoping you will make
it all right with us as we have money on the
goods - Yours truly. Wright Higgins & Cash

We the Subscribers would most respectfully represent that the military officers at this point especially those of the Q.M. Department employ in the various clerkships and other positions in their offices. Civillians who have never given themselves to the service of the Country in the hour of danger. This too when there are honorably discharged Soldiers and some disabled who are in every way competent to fill these positions. daily applying for employment.

We would most respectfully represent that this should not be, and most earnestly beg of you to take such steps as may be in your power to remedy this evil.

Post-Office Department,

August 6th 1869

My Dear Colonel:

Yours of 30th ultimo is received, with recommendations in your behalf. I have filed the papers in the appointment office, with a letter of my own recommending you for a good position in the postal service. You must understand that I do not control the appointment of Route or Special Agents - these are appointed on the recommendation of Republican Senators & Members of Congress, and the 1st Asst P.M. General. And the P.M. General controls this business. All vacant clerkships in the Department have been filled.

Possibly there may be an opening for you "down South,"

but if there is I am not aware
of it. All the Indiana route
Agencies have been filled.

Should there be a change on
the Jeffersonville road, I presume
Morton and Pratt's recommenda-
tion, specially naming you for
that place, would secure it.

Anything I can consistently
do for you will be done with
pleasure.

Very Truly Yours,

W. H. Terrell

Dear Dick! Dick!

How glad to hear that
you have seen the old tree, but
as I want to get the idea of
it in all the same, I have
I even thank this for the
the money you so kindly sent
me. The people are so much
as hard the other people
shape first question whether they
do not know the old tree
I suppose you have heard what
the old tree is. I have heard
of it. I have heard of it.
