Alexandria LA 71301

Dear Mrs. Deville:

I can not answer all your questions with the time that is allowed to me for any one request, but have found and enclose to you some census data form the 1910 Federal census for Jefferson Co. It appears to be the only Robert Lanham that fits into the age category that you are seeking. His wife is listed as Anna M.. They were living on Kentucky Street in the city.

I have checked our marriage index for 1908-1911, and no Lanham appears as being married in Jefferson Co. in that time period.

The divorce papers could be obtained from the Jefferson Co. Courthouse., They are not here.

Perhaps later we could pursue the City directory search.

Best regards,

Nettie Oliver

To Whom It Concerns,

I am interesting in the following information for my book on my family. Any information or addresses of where I might find this information would be greatly appreciated.

1807/122
12081 ✓
1910 Census for Kentucky - I believe they were around Louisville and/or Buechel, Kentucky

Robert Lanham
Mary Anna Bowles
Elbin Bradas

1920 Census for Kentucky - I believe they were around Louisville and/or Buechel, Kentucky

Robert Lanham
Mary Anna Bowles
Elbin Bradas

1550

✓ Marriage records for Robert Lanham to Mary Anna Bowles - believe around 1908 - 1909

✓ Marriage records for Elbin Bradas to Mary Anna Bowles - believe December 1, 1910, but could be later

Also and help with addresses to search for divorce papers for Robert Lanham and Mary Anna Bowles and adoption papers for John Lanham to be adopted by Elbin Bradas and Mary Anna Bowles.

City directories for location of Robert Lanham or Elbin Bradas in Louisville/Bowling Green or surrounding areas. I know Robert Lanham was born in 1889 and his occupation was listed as varnish maker. I know Elbin Bradas was born in 1888 in Louisville and worked for the Cottonbelt Railroad

I know this is asking for a lot of information. If you do not have the research material, will you at least send me some addresses to write so that I can continue my research.

Thanking you in advance,

Nita
