Louisville, Ky.

Your address was given to me by W.R. (Bob) McGaughey. He thinks you may have records going back 150 years. I hope you might have some records on my ancestors or some answers to my letter written 11-8-'93. I have written to many McGaugheys without finding any connection. The one dated 11-12-'93 is my latest letter. I have recieved one answer. It was from W.R. (Bob) McGaughey of Louiseville Ky. but there seems to be no conection between his family and mine. There are 25 or more McGaugheys living in and around Louisville, Ky. and I would hope some of them might be related to me beings they are so close to Shelbyville ,Ky. where my ancestors at one time lived.

If there is any charge for your research, please let me know and I will send a check.

MCGAUGHEY RESEARCH

I am looking for John McGaughey brother of my Great Grandfather Daniel McGaughey.

John McGaughey was a member of the first Masonic Lodge in Shelbyville Kentucky. It lists John McGaughey and John Willett as members of Lodge # 5 from 1800 to 1830. John Willett could be an ancestor of my Mother's family. John McGaughey donated land in 1884 for the Masonic Lodge to be built. These two men were among the first members of Lodge # 5 F. and A. M. of the Masonic Lodge in Shelbyville Ky.

I do not know how correct the following information is But from what I have found, a John McGaughey ran a tavern in Shelbyville from 1800 to 1814. Also a John McGaughey built 40 two story log houses in 1802 and he was a soldier in the war of 1812. He owned ten shares of the branch Bank of Ky. He was supposed to have had a large family. His sons could be Samuel, James, Wilson, Arthur and William . I have no knowledge of any women in the family.

John and Brother Daniel came to America about 1800. I have no records of John's marriage or family. His brother Daniel married Catherine Smith in 1808 in Jefferson County, Ky. No further records have been found on Daniel. He had a son Woodford Henry born in 1820 in Shelby County Ky. Woodford was my Grandfather. These records came from Woodford's marriage certificate. He married Caroline Booth in 1847. Woodford left Ky. about 1842 and went to Camp Point, Ill. He was accompanied by two cousins by the names of Faulkner and Burnett.

I am not certain how much any of this I am sending you may pertain to John McGaughey and his Brother Daniel. I would appreciate any information you might be able to give me. So please write and we can compare notes.

Sincerely,

~~██████████~~ Mc Gaughey

Two enterprising young Irishmen of nobility with a sin before their given name left Ireland shortly before 1800. The first knowledge I have of them was when Daniel McGaughey married Catherine Smith in 1808 in Jefferson Co. Ky. The next we know of Daniel was the birth of a son in Shelby Co. Ky. Woodford Henry was born in 1820. The next knowledge we have is Woodford Henry's marriage to Caroline Booth in 1846 in Camp Point, Ill. There were four children in that marriage: Sarah J., married William Bellew, no knowledge of any children. James F. married Clara Patton, four children, descendants in Quincy, Ill. Peter B. first marriage to Lyda Baird, divorced 1881, two sons, second marriage to Jenny L. Craven, two daughters, Susan E. married Alfred S. Crawford, number of children, unknown. Woodford Henry second marriage to Georgia Baird, five children, my father was of Woodford's second marriage. My father said the original brothers both had large families but I have no knowledge of this, the census of 1810 to 1850 might give us some information on the two brothers and their families.

When Woodford Henry left Ky. about 1842, he had two cousins that accompanied him to Ill. Their names were Falkner and Burnett. I have no knowledge of these cousins. They must have been relatives of Daniel's brother, John. I know nothing of John's family.

You might not have information that would connect ~~██████████~~ our family but I might have information that would connect you to some of your ancestors. I have information that has brought five groups of ancestors together. If you are interested in geneology, I might have information you need. So, Please write and let's see if we can help each other.

Respectively  
Bill Mc Gaughey
