Miss Mildred Jones

Culpeper, Virginia 22701

Dear Miss Jones:

At the present time I do not know of any one with a specific genealogical interest in the Wiggington family. I will put your letter on file and I know that at some time your kind offer to share information on the Wiggingtons will be deeply appreciated by some searcher.

The Douglas Register represents a collection of records in Goochland Co., Virginia including births, marriages, and records of the ManikinTown settlement in the county. The compiler was Dr. (Rev.) William Douglas, a clergyman in the Episcopal Church. I am sure any good library with a genealogical department will have the Douglas Register.

Sincerely,

Evelyn R. Dale

Gentlemen:

Do you know anyone in
Kentucky doing Wigginton research?
I have a good bit of information
on the family which I would
like to pass on to an interested
descendant.

I am especially interested in
descendants of John Wigginton Jr
and his wife, Mary Miller Bell,
who were married in Culpeper
in 1795 and went to Kentucky
in the early 1800's.

Also can you tell me
just what the Douglas Register

sincerely,

Miss Bertha E. Ponton,

San Gabriel, Calif.

Dear Miss Ponton:

Replying to your letter of February 2nd. Henry County, Ky., was formed in 1798 from Shelby and Shelby from Jefferson County.

I have looked in the Henry County early marriage records also Shelby County and do not find the name Wiggington. In Jefferson County first marriage book the only time I find the name is:

William Costin, and Sophia Wiggington, daughter of Seth Wiggington,
who consented in writing, married Jan. 9, 1823.

Before we can be of any help to you in your search you should send us your line back as far as you know it, giving name of groom and bride with dates of birth, marriage and death and whenever possible where they lived or the events took place. After sending us that back as far as you can, if we have the records where we can consult them without a long search we will be glad to do what we can. If it will require a search we will have to suggest a genealogist for we do not have the staff to make such search.

Very truly yours,

Indie J. Kinkead, Curator

Dear Librarian:

I am trying to prepare
for D.A.R., and would like
to know if you have a
record of the Wigginton
family who came to
Henry Co. Ky. about
1800, or soon thereafter.

I would like their Chris-
tian names or any other
data you may have.

I hope to visit your library
again this fall.

Very Gratefully yours
Bertha E. Pouton.
