HAPPY BIRTHDAY
Happy birthday to you
Happy birthday to you
Happy Birthday Modern Femmes
Happy Birthday to you

Buckle Down
Buckle down Modern Femmes
Buckle down
You can win Modern Femmes
if you buckle down
You can win this game
You can spread your fame
You can win Modern Femmes
if you only buckle down

Modern Femmes (Danny Boy)
Dear Modern Femmes we're glad to be a
part of you
Our faith in you is strongest on this
earth
And as we sing and give to you our
praises due
Our hearts are filled with fondness and
with mirth

Through you we've gained more under-
standing of our friends
Our friendship's priceless bonds are
tied to you
And through the years no matter how
our fate does end
We'll never forget you Modern Femmes
your yellow and blue

Romeo (Dancing in the Dark)
Your our Romeo, your the man of the
hour
Your our Romeo, All our dreams are in
flower
The twinkle in your eyes and your
smile so true
All of our hearts go out to you we're
lost in your spell

Your our Romeo and I'd like to embrace
you
Your our Romeo and no one else can
replace you
We're telling the whole world about
you
Your our Romeo

Juliet (September Song)
Here's to you Juliet in song we
bring our love and joy
Let our voices ring
The charm and grace you have, You always
share
Because your grand in our hearts you
grow
And the whole world seems to know your
warming smile, Your twinkling eyes, Your
charming style,
And still you lovely one seem fonder yet
We send our love to you our Juliet

Swing Low, Sweet Chariot
Swing low, sweet chariot, comin for to
carry me home
1. I looked over Jordan and what did I
see? Comin for to carry me home!
A band of angels coming after me.
Comin for to carry me home. (Chorus)
2. If you get ther before I do, Comin
for to carry me home!
Just tell my friends that I'm a comin
too. Comin for to carry me home
(Chorus)
3. I'm some times up and sometimes down.
Comin for to carry me home
But still my souls feels heavenly
bond. Comin for to carry me home.
(Chorus)

Close Your Eyes and Point Your Finger
Close your eyes and point your finger
On the map just let it linger
Any place you point your finger to,
There's some one with the same type blood
as you

England, China or Alaska,
Mexico or Madascar,
Indonesia, Ireland or Peru--
There's someone with the same type blood
as you.

No type of blood is better,
No type of blood is best,
Each type of blood is just as good,
No better than the rest!
(Chorus)

In the mountains or valleys,
Rich hotels or slum-like alleys,
Any place you point your finger
There's someone with the same
as you.

BIRTHDAY
