Dear Col. Morrow:

At the meeting of the Red Cross Flood Relief Committee on March 13, the following resolution was passed:

"That the thanks and appreciation of the Committee be communicated to Col. Morrow, Capt. Kroner and the other officers and men of the 15th Infantry who had given such efficient and devoted service to the camp and done so much to make it a success; and furthermore, that a statement of the work accomplished and the records made as regards quality and economy be prepared and sent to Minister Reinsch with the request that he transmit the same to the War Department."

Will you kindly bring the above vote to the attention of the officers and men, who have been working in camp during the winter?
