

Gray, George Herbert, 1874-1945 Additional architectural drawings, 1900-1928 (Mss. AR/G779a)											
FLDR #	ROLL #	PROJECT NAME/ CLIENT/ TITLE	PROJECT # (WORK #)	LOCATION	CITY, COUNTY, OR STATE	DATE	PROJECT TYPE	COLLABORATOR (ROLE)	# OF SHEETS	Flat or rolled in box	DESCRIPTION
1	1	Parish House for the Fourth Avenue Presbyterian Church	n/a	Fourth Avenue	Louisville, KY	undated, 1908-1909, 1914-1915	Ecclesiastical	Henry F. Hawes (Architect)	32	rolled in box	Undated Sheets 1-7, 10-11 and 22 are included and detail the following: 1. Front elevation 2. Alley elevation 3. Basement plan 4. first floor plan 5. second floor plan 6. Roof plan 7. Longitudinal section 8. Transverse sections 10. Details of window frames 11. South elevation 22. Sections looking South and West through West and East wings. 1908 drawing set included detail drawings of various ornamental elements within the parish house including doors, windows, staircases, and moldings. 1909 drawings depict a proposed memorial window. 1914 and 1915 drawings depict preliminary drawings of religious symbols. An additional undated blueprint depict window details.
1	2	Garden Cottage for Mrs. Fritz Scheff Fox	n/a		Big Stone Gap, VA	1911	Residential	none	11	rolled in box	Drawn on 28 January 1911, this set of drawings includes a foundation plan; NE (2), NW (2), SW, SE (2) elevations; Living room detail and a detail sheet (which is in bad condition). These drawings are on tracing paper and are in various condition states.
1	3	Residence of Mr. C. B. Robinson, Jr.	126	Blakenbaker Station, Upper River Road	Louisville, KY	1916, 1917	Residential	Herman Wischmeyer (Architect)	25	rolled in box	The home of Charles Bonnycastle Robinson, Jr. (Mrs. C.B. is Gray's sister-in-law), located on Upper River Road is depicted on 25 waxed linen sheets and is designed in the Colonial Revival style. The three story home has a generous amount of masonry work and is located within the Westfield Development, according to a 1916 drawing. Within the 25 sheets are drawings of: estate grounds (entrance, plot plan); stable; foundation, first, second, attic/roof floor plans; concrete framing plans for the same, aforementioned floors; SE, NE, NW, SW elevations; and many section and detail drawings of various parts of the home. See: <i>Country Estates of River Road</i> scan on Y: drive for more info on the home.
1	4	Colored Mission and Instructional School	n/a	Hancock Street between Green and Jefferson	Louisville, KY	1911	Educational	none	11	rolled in box	Drawn on tracing paper (ten sheets) and reproduced on blueprint (one sheet), these drawings depict multiple elevations (rear, front x2, side, front and detail of front and cross section elevation), first and second floor plans, basement plan and a contract blueprint (?) drawing dated 1911 and signed by GHG.
1	5	Residence of Mr. Dan L. Schlegel	110	2067 Eastern Parkway	Louisville, KY	1914	Residential	Herman Wischmeyer (Architect)	9	rolled in box	Nine sheets are included in the Schlege residential project, including: plot plan; basement and attic/roof plan; first and second floor plans; NSEW elevations (detail drawing of the service porch and side entrance are included on the NW drawing); section drawings; elevations (windows and walls); stair, hand rail, bracket details for bedroom no. two; stair detail.
1	6	Apartment Building for the Breckenridge Reality Co.		Second and Breckenridge Street	Louisville, KY	1910	Residential	Herman Wischmeyer (Architect)	4	rolled in box	Four large blueprints contain the drawings of the Breckenridge Reality Co. Apartment Building, including: Cross section (looking west) and an alley elevation; foundation plan; first floor plan and the second street elevation, sections, cross section (looking east).

1	7	Residence of Mrs. Fritz Scheff Fox	n/a		Big Stone Gap, VA	1911	Residential	none	15	rolled in box	This Tudor residence is documented on twelve waxed linen sheets and three blueprints. Drawings include: elevations (N, S, E, W); cross sections (through library and music rooms, as well as through main hall); basement, first, second, and attic/roof floor plans (blue prints also available of these);
1	8	Residence of Dr. Ellis S. Allen	n/a	Ransdell Avenue	Louisville, KY	1915	Residential	Herman Wischmeyer (Architect)	14	rolled in box	A cottage-styled home is sketched and detailed on both tracing paper and waxed linen. Elevations (SW, NW, NE, SE), details (living room) and partial sections are included.
1	9	Fourth Avenue Baptist Church	n/a	Corner of 4th and Oak	Louisville, KY	1909	Ecclesiastical	Henry F. Hawes (Architect)	12	rolled in box	These drawings are on heavy blue print paper and <u>are very brittle, the end of the sheets particularly.</u> Given this, drawings need to be handled with care. Elevations (front, side x2, cross section, longitudinal) floor plans (basement, first, main, ceiling, roof), detail of roof trusses, exterior and interior details (pulpit, choir and organ platform, stone work) are drawn. These drawings are a good candidate for encapsulation.
1	10	Residence, Stables and Additions to Forbes Hawkes, M.D.	116	Port Washington	Long Island, NY	1909, 1911, 1913-14, 1916	Residential	Herman Wischmeyer (Architect) and Albert Morton Gray	49	rolled in box	This project contains various phases of design and redesign to the Craftsmen/Bungalow style residence and stables for Hawkes. Stable design is from 1909 and stable addition 1911. Proposed additions to residence take place in 1913/1914 and the final additions are dated 1914 (10 waxed line sheets including: plot, basement, first, second and roof floor plans; SE, NW and S elevations and section drawings are present). A garage design is dated 1914. Detail drawings for addition and garage dated 1914 after final additions. Drawings are on various papers, including heavy, blue print, waxed linen and tracing papers.
1	11	Competition for the Remodeling of a New York City Tenement Under the Auspices of the Joint Legislative Committee on Housing and the Reconstruction of the State of New York	207		New York, NY	no date	Residential + Commercial	none	2	rolled in box	Two story mixed use tenement on one NYC block. Building is mixed use and contains space for a movie theatre, stores and residences. Drawing includes a pavilion and court in the center of the building. Note that no discerning marks are drawn indicating architect (Gray or otherwise).
1	12	Residence of Mr. John Hayes		Blakenbaker Station	Louisville, KY	no date	Residence	Henry F. Hawes (Architect)	10	rolled in box	Depicted on 10 blue print sheets are plans for a shingle-style colonial revival home. Plans include elevations for the north, west and east vantages; longitudinal section; foundation, first, second and roof plans and exterior and interior details.
1	13	Library for the Lincoln Institute			Simpsonville, KY	1916	Educational	Herman Wischmeyer (Architect)	7	rolled in box	Drawn in March of 1916 these drawings detail two side elevations, front elevation, first floor and a transverse section. An additional two tracing paper sketches of the library also exist.
2	14	Unnamed Residence	126		Unknown	1914	Residential	Herman Wischmeyer (Architect)	7	Flat file	This unnamed residence is labeled as "Work #126" and includes six drawings (on tracing sheets) as well as one typed spec sheet. Drawings detail plans of the basement, first and second floor, roof. South and north elevations are also depicted.
2	15	Residence of Col. Jason Joy	247		Rye, NY	1924	Residential	Lawrence	24	Flat file	24 drawings including plot and grounds plans, first and second floor plans, cross section and elevations (N, W, S).
2	16	Apartments & Office for Dr. Leo Bloch	n/a	6th and Ormsby	Louisville, KY	1912	Residential + Commercial	none	4	Flat file	Four waxed linen drawings depict the first floor and basement plans, roof and plot plan, front and west elevations as well as a longitudinal and transverse section drawing.

2	17	Residence of Mrs. M.E. Dudley		Cherokee Drive	Louisville, KY	no date	Residential	Herman Wischmeyer (Architect)	2	Flat file	Two pages of drawings detailing the basement and first floor plan on the first sheet and the attic and roof plan on the second.
2	18	Residence of Mr. George H. Gray		Cherokee Parkway	Louisville, KY	1917	Residential	none	1	Flat file	Floor plans (first and second floors) of the architect's own home located on Cherokee Parkway.
2	18a	Addition to Residence of Mr. George H. Gray	130b	Cherokee Parkway	Louisville, KY	1915	Residential	George Herbert Gray and Herman Wischmeyer Architects	10	Flat File	First and second floor plans, attic plan, east, west, and rear elevations, and detail drawings.
2	18b	Garden Plans and Detail Drawings for Residence of Mr. George Herbert Gray	130	Cherokee Parkway	Louisville, KY	1914-1915	Residential	George Herbert Gray and Herman Wischmeyer Architects	11	Flat File	Garden and planting plan, proposed garage elevation, and detail drawings of furniture pieces and window casements
2	19	Residence of Mrs. B.A. Overbacker		Sherwood Avenue	Louisville, KY	1917	Residential	Herman Wischmeyer (Architect)	1	Flat file	One drawing detailing the floor plans for the first and second floors of the Mrs. B.A. Overbacker residence.
2	20	Residence of Mrs. L.L. Thompson		2219 Napoleon Blvd.	Louisville, KY	1916	Residential	Herman Wischmeyer (Architect)	1	Flat file	One drawing detailing the floor plans for the basement, first and second floors of the Mrs. L.L. Thompson residence.
2	21	Residence of Mrs. Richard H. Baker		Glenmary Avenue	Louisville, KY	1917	Residential	Herman Wischmeyer (Architect)	1	Flat file	One drawing detailing the floor plans for the first and second floors Mrs. Richard H. Baker residence.
2	22	Residence and office of Dr. Leo Bloch		6th and Ormsby	Louisville, KY	1916	Residential + Commercial	none	1	Flat file	One drawing detailing the floor plans for the basement, first and second floors of the Bloch residence. Basement shows space allotted for the operating, waiting and consulting rooms.
2	23	Residence of Dr. Ellis S. Allen		Ransdell Avenue	Louisville, KY	1917	Residential	Herman Wischmeyer (Architect)	1	Flat file	One drawing detailing the floor plans for the first and second floors of the Allen residence on Ransdell Avenue.
2	24	Residence of J. Morton Morris			Louisville, KY	no date	Residential	Herman Wischmeyer (Architect)	4	Flat file	Four sheets, including two copies of the attic plan, as well as a basement and first floor plan for the Morton residence. These drawings include markings that indicate their origin as both Louisville (with collaboration with Wischmeyer) and Gray (perhaps working solo?) in New Haven, CT.

2	25	Residence of Mr. L.C. Humphrey		Douglass Blvd and Ellerbe Ave.	Louisville, KY	1916	Residential	Herman Wischmeyer (Architect)	3	Flat file	Drawings detail the first and second floor plans, basement and attic plans and also a plan of the grounds of Mr. Humphrey.
2	26	Residence of Mr. N.B. Danforth		Gilpin Avenue and Broome Street	Wilmington, DE	1916	Residential	Herman Wischmeyer (Architect)	2	Flat file	Drawings detail the first and second floor plans as well as the basement and attic plans of this Delaware residence.
2	27	Unknown Client	212		Unknown	1921	Landscape	unknown	1	Flat file	Landscape work for an unknown client in an unknown locale. Drawing does contain a project number (#212). (resemblance to floorplan of residence for Mrs. M.E. Dudley, Roll 17)
2	28	Apartment Building for Mr. Harry Bridges		1221 Garvin Place	Louisville, KY	1909	Residential	Herman Wischmeyer (Architect)	7	Flat file	Seven sheets are included in the Harry Bridges project at 1221 Garvin Place, including: Front elevation and cross section; north and south elevations; longitudinal section; basement, first and second floor plans.
2	29	Garden Plan for Mrs. Charles W. Allen - Preliminary Study		Glenview	Louisville, KY	1916	Landscape	Herman Wischmeyer (Architect)	1	Flat file	Preliminary study for the garden plan of Mrs. Charles W. Allen. Composed on tracing paper.
3	30	Proposed New City Hospital	n/a	Chestnut Street	Louisville, KY	1908	Medical	Herman Wischmeyer (Architect)	30	Flat file	The majority of these drawings are VERY fragile and should be limited in their use. The very fragile drawings are at the bottom of the stack and the ones that are better for viewing are located on top. These drawings depict various elevations, floor plans, interior detail and sections for the proposed hospital design.
4	31	Bethlehem Evangelical Church		6th and Hill	Louisville, KY	no date	Ecclesiastical	none	1	Flat file	Drawn and included is the Bethlehem Evangelical Church ground floor plan.
4	32	Church of Our Merciful Savior			Louisville, KY	no date	Ecclesiastical	none	1	Flat file	First floor plan for the Church of Our Merciful Savior. Note that this drawing contains no architect's markings, Gray or otherwise.
4	33	Christ Church			Bowling Green, KY	1917	Ecclesiastical	Herman Wischmeyer (Architect)	1	Flat file	First floor plan of Christ Church, showing spaces denoted for: nave, organ, alter, etc.
