

The Filson Historical Society
The Frank Willing Leach
Presidential Genealogical Collection

The presidential genealogical collection of Frank Willing Leach, lawyer and writer of Philadelphia and Tuckertown, N.J.

For information regarding literary and copyright information for these papers, see the Curator of Manuscripts, James J. Holmberg.

Size of Collection

2 cubic feet

Locator Number Mss.\A\L434

Scope and Content Note

Material concerning presidents Washington through Franklin D. Roosevelt compiled for a proposed book: "The Presidents of the United States, Their Ancestors and Descendants." The collection consists of correspondence with descendants of the presidents and others; newspaper and magazine clippings about the presidents and their families, photos of portraits; and some material written by Leach.
