Papers, 1838-1950**

Scope and Content Note

The Wiegleb Family Papers consist primarily of receipts from 1838-1940 with a small amount of correspondence, legal papers, cancelled checks, and miscellaneous items. The receipts give an extensive account of the Wiegleb family's expenditures, particularly from the 1890s to the 1920s.

Biographical Note

In this collection, the Wiegleb family is primarily represented by Jacob and William Wiegleb. Jacob Wiegleb lived in Jefferson County in the late-nineteenth and early-twentieth centuries. Some of the correspondence and receipts list his address as Middletown while others have him listed in Lyndon. It appears that he was affiliated with the *Anzeiger* around 1900. William Wiegleb, presumably Jacob's son, also lived in Middletown.
