

The Filson Historical Society

**Wrenick, Frank E., 1939-
Collection, 1920-2018**

For information regarding literary and copyright interest for these papers, see the Curator of Special Collections.

Size of Collection:

2 cubic feet

Location Number:

Mss. A W945

**Wrenick, Frank E., 1939-
Collection, 1920-2018**

Scope and Content Note

This collection includes material related to Frank Wrenick's work researching and writing about the career of architect William Strudwick "Arra" Arrasmith, particularly related to his work on Greyhound bus terminals from the late 1930s to the late 1950s. Material throughout the collection relates to Arrasmith and some of his associates' careers, and Greyhound bus stations throughout the eastern portion of the United States.
