Designed with the elevator and stairs visible from the street as a safety measure; use of curves, angles, and staggered lines. Project received an AIA Kentucky Award for Excellence in Architectural Design in 1990.	Images available in Jasper Ward photograph collection (022PC26)

19	Louisville Galleria Parking Garage		411 S. 4th Street	Louisville, Ky.	undated	Commercial		2	Drawings for Stairwell alterations.	Louisville Galleria is no longer open but apparently located at 411 S. 4th St, Louisville, KY 40202.	
20	French Quarters III, Infill Housing, Two Story Fourplex - Unit B	1199-03	unknown	Louisville, Ky.	1995	Residential	Hazelet + Erdal (engineers)	4	Architectural Drawings.	Possibly missing materials.	
20	French Quarters - Infill Housing, 28 Affordable Rental Units on 7 Sites		Rowan Street, W. Jefferson Street, Slevin Street, St. Xavier Street	Louisville, Ky.	1993	Residential		12	Architectural Drawings.		
20	French Quarters - Infill Housing; Fourplex Two Story Unit A		Rowan Street, W. Jefferson Street, St. Xavier Street	Louisville, Ky.	1993	Residential		19	Architectural Drawings.		
20	French Quarters II, Infill Housing, Two Story Fourplex - Unit A	1199	2718 & 2722 W. Jefferson Street	Louisville, Ky.	1992-1994	Residential	Hazelet + Erdal, Inc. (Engineering)	48	Architectural Drawings, Electrical Plans, Site Plans, and Sketches.	Multiple sets of duplicates. Some have more detail than others but are very grimy, so a more clear set also kept for sake of legibility.	
21	Dismas House Portland - Renovation of Warehouse Area	162E	1505 Lyle Street	Louisville, Ky.	1992	Residential ?	Baxter-Martin P.S.C. (engineers)	27	Architectural, electrical, plumbing, and mechanical drawings.	Papers adhere. Handle with care. Dismas Charities, Inc. hired Ward to renovate a number of their buildings, including a Conference Center, the Dierson Center, the Louisville Center, the Portland Center, the St. Patrick's Center, all in Louisville, and the Women's Facility in Owensboro, KY. The Dismas Charities assists men and women recently released from state and federal incarceration, providing skills and motivation. Begun in 1964, it is affiliated with the Catholic Church.	Images available in Jasper Ward photograph collection (022PC26)
22	Willow Lake Tavern		10609 LaGrange Road	Anchorage, Ky.	1985, 1993	Commercial	Roberto Bajandas (Architect) Orbin Green (proprietor)	15	Drawings and site plans. Also paintings of elevation and site plans on poster boards.		Images available in Jasper Ward photograph collection (022PC26)

23	Dismas House -- St. Patrick's Renovations	450	13th and Market Streets	Louisville, Ky.	1993	Residential	Baxter-Martin P.S.C. (Consulting Engineers)	28	Architectural drawings, plumbing, electrical, mechanical. Includes letter of transmittal.	Dismas Charities, Inc. hired Ward to renovate a number of their buildings, including a Conference Center, the Dierson Center, the Louisville Center, the Portland Center, the St. Patrick's Center, all in Louisville, and the Women's Facility in Owensboro, KY. The Dismas Charities assists men and women recently released from state and federal incarceration, providing skills and motivation. Begun in 1964, it is affiliated with the Catholic Church.	
24	Dupont Manual The Magnet High School - Phase III Renovation	394E	Lee Street	Louisville, Ky.	1992-1993	Educational	E. R. Ronald & Associates (Consulting Engineers)	119	Architectural, Structural, Plumbing, Electrical, and Mechanical Drawings. Also includes elevations and window placements.		Images available in Jasper Ward photograph collection (022PC26)
24	Dupont Manual Middle School		2nd and Lee Street	Louisville, Ky.	1987	Educational	J. Meyrick Colley (Architect)	8	Drawings and sketches. "Middle School" label may be a mistake.		
25	Ladies Home Journal Portfolio House	#38	unknown	New Hope, Pa.	1957	Residential		12	Blueprints and a letter.		Images available in Jasper Ward photograph collection (022PC26)
26	St. Francis Photostats		unknown	Goshen, Ky.	1968	Educational		3	Prints showing site plans and topography.	Found in manilla envelope labeled "St. Francis Photostats." Dated September 1968.	
26	New School Building for St. Francis of Assisi	750	unknown	Goshen, Ky.	1950	Educational	Walter C Wagner, Joseph H. Potts (Architects and Engineers)	8	Blueprints and elevations.	Listed as being a part of the Saint Francis Collection, but may not be the same area?	
26	Saint Francis School	#175	11000 W. Highway 42	Goshen, Ky.	1968-1969	Educational		29	Architectural Drawings. Includes plans for an Abacus Sculpture and a "play shelter" as well.	Designed in 1967, construction began in 1969. Innovative building to fit an innovative school. School follows a flexible curriculum designed to let children learn at their own pace and practice, has open classroom plan.	Images available in Jasper Ward photograph collection (022PC26)
26	St. Francis School Gymnasium		11000 W. Highway 42	Goshen, Ky.	1973	Educational		9	Drawings and sketches for a school gymnasium.		

27	Playtorium Addition Alterations to Portland Elementary School	1166	3410 Northwestern Parkway	Louisville, Ky.	1988	Educational	LSE Engineering Incorporated (consulting engineers)	20	Architectural, Electrical, Mechanical Drawings. Also includes plans for Masonry.		Images available in Jasper Ward photograph collection (022PC26)
27	Portland School	131	3410 Northwestern Parkway	Louisville, Ky.	1968	Educational		3	Plans and sections.	Originally in an envelope labeled "Photostats Sept. 1968." Project received an AIA Kentucky Award for Excellence in Architectural Design in 1968. Renovation project. Original building was built in 1853 and added to in 1901. An addition was added that surrounded the original building with open classrooms on the 2nd floor and a covered play area, cafeteria, and discussion pit on the 1st floor. Windows of old building made into doors and bulletin boards.	Images available in Jasper Ward photograph collection (022PC26)
27	Portland Elementary School	131B	3410 Northwestern Parkway	Louisville, Ky.	1990	Educational	James E. Forst + Associates Consulting Engineers (Mechanical and Electrical)	17	1990 renovations. Architectural, plumbing, and electrical drawings.		Images available in Jasper Ward photograph collection (022PC26)

28	Leight House	#170	Glen Arden Road	Louisville, Ky.	1967	Residential	J. R. Fredenberger Co. (contractor)	62	Drawings, elevations, and sketches. Also includes topography of Ohio River for Boat basin, which is possibly related. Designed 1967, contractor: J. R. Fredenberger Co., Addition added in 1984. The Leight house is one of Ward's firm's most well-known designs. Located along Glen Arden Road in Louisville's Glenview neighborhood, the house was built for a prominent couple, Adel and Leonard Leight, who were glass art collectors. The original design is credited to Fred De Santo, an architect with Ward's firm. Modern design with varied geometry, expansive windows, and drastic roof angles.		Images available in Jasper Ward photograph collection (022PC26)
29	North Facing Corner Prototype House, California Neighborhood Properties Incorporated		1600 W. St. Catherine Street	Louisville, Ky.	1982	Residential		18	Sketches, elevations, and floor plans for a residence.		
29	Single Family Dwelling Prototypes, California Neighborhood Properties Incorporated		1600 W. St. Catherine Street	Louisville, Ky.	undated	Residential		28	Sketches, elevations, and floor plans for a residence. Also referred to as "South Facing Corner."

36	Unknown Building		unknown	Indiana?	1976, 1978	Residential	Bernie Miller Construction GW (Architect)	11	Architectural Drawings and elevations.	Relationship to Ward unclear, but found in a box with other pieces also associated with Bernie Miller.	
36	Wallace Buck Creek Rd		Buck Creek Road	Indiana?	1976, 1978	Residential	Bernie Miller Construction GW (Architect)	4	Architectural Drawings and elevations.	Relationship to Ward unclear, but found in a box with other pieces also associated with Bernie Miller.	
37	Residence of Mr. & Mrs. Edward Isaacs		U.S. Highway 42	Louisville, Ky.	1973	Residential		44	Drawings (A, F, E, S)		
38	Garage Addition, David Wilson House, Benchmark		unknown	New Albany, Ind.	1977, 1980	Residential	W. H. Creech (builder)	7	Drawings.	Modern residence in Benchmark subdivision in New Albany, Ind. Ward also designed another house in the Modern style in this neighborhood, the Richard Johnson house. The houses are located in a wooded area and are described as similar to the Leight house.	
39	Organizational Maintenance Shop, Boone National Guard Center	#250 Z-91	100 Minuteman Parkway	Frankfort, Ky.	1973	Military	Fuller, Mossbarger, & Scott (engineers) E.R. Ronald & Associates (Consulting Engineers), Hummel Engineering Associates, Inc. (Structural Engineers)	14	Blueprints (T1-2, B1, A1-4, S1, ME1-4, E3)		Images available in Jasper Ward photograph collection (022PC26)
39	New Armory Building, Boone National Guard Center	#250 6063	100 Minuteman Parkway	Frankfort, Ky.	1973	Military	E. R. Ronald & Associates (Consulting Engineers), Hummel Engineering Associates, Inc. (Structural Engineers)	14	Drawings (ME1-2, M3-9, E3-6)		

40	Christ Temple Apostolic Church, Inc.	#153	723 S. 45th Street	Louisville, Ky.	1970-1971	Religious		25	Architectural and Structural Drawings. Two sets of A drawings show differing levels of detail. Many are also unlabeled.		Images available in Jasper Ward photograph collection (022PC26)
41	Holy Cross School, Rev. Patrick Delahanty		unknown	Louisville, Ky.	undated	Educational	Larry Mattingly	4	Drawings.		
41	Holy Cross Church, Fr. Robertson		unknown	Louisville, Ky.	1974	Religious		6	Sketches and drawings for the church's floor plan and seating plans.		
42	E. P. "Tom" Sawyer State Park Pool/Activities Complex	#259	Freys Hill Road	Anchorage, Ky.	1973	Municipal	Kaestner-Lynch Associates (engineers)	31	Drawings and sketches. Portions of blueprints.		Images available in Jasper Ward photograph collection (022PC26)
43	Preliminary Pool Layout for Tom Sawyer State Park	PL-1242	Freys Hill Road	Anchorage, Ky.	1972-1974	Municipal	L. Martin (architect), Kaestner-Lynch Associates (engineers)	72	Drawings and sketches.		
44	Swain House and Garage; Solar Envelope House	#2	Johnston Drive	Watchung, N.J.	1950-1951, 1996	Residential		40	Drawings, sketches, and fax transmittal form with copies of drawings from Bob French to Jasper Ward (January 1993). Documents relating to the "solar envelope house" may refer to this house, but it is unclear if this home used solar energy. Possibly "solar envelope house" refers to the Vernon Robertson Solar House and this material was lumped with the Swain house by mistake.	Walter P. Swain, Jr. House, located on Johnston Dr. in Watchung, NJ. Designed by Ward-Knight and built in 1952 (Ward went into private practice in Manhattan with Reginald C. Knight; firm called Ward-Knight, after 1950). Swain was a classmate of Ward's at MIT. Constructed of mahogany, white marble, reinforced concrete, and glass and sits on 7-acre site. Awarded the American Institute of Architects, National Award of Merit in 1956. This design led to designing several other homes on the same street.	Images for the Swain house available in Jasper Ward photograph collection (022PC26)
45	Residence for Marian Klein Koehler		unknown	Crestwood, Ky.	1983	Residential		22	Drawings, notes, and sketches.		
46	Mobley House		Hickory Grove Church Road, off of Highway 42	Trimble County, Ky.	1982; 1988	Residential		51	Drawings and sketches.		
47	JFK Memorial Library	LK-289	151 University Dr	West Liberty, Ky.	1965	Municipal	Kenneth J. Roy (engineer)	20	Structural, Architectural, and Mechanical Drawings.		Images available in Jasper Ward photograph collection (022PC26)

48	Ballard Mills	#221	900 block East Broadway	Louisville, Ky.	1970-1971	Residential		24	Architectural drawings.	Example of Ward's advocacy of adaptive reuse for existing structures and his bold designs. A 1969 design for converting Ballard Mills grain silos into apartments and offices: 48 circular efficiency apartments, 84 split-level apartments, restaurant, recreation room, and pool with heated bubble on top of towers. The pool was to be sunk into the bar so patrons could watch swimmers through large portholes. This design was not built and silos were demolished in 1972.	Images available in Jasper Ward photograph collection (022PC26)
49	Federal Parking Garage	#169 26053-3	7th and 8th on Magazine	Louisville, Ky.	1967-1969	Municipal	Kenneth J. Roy (mechanical engineer); Senler/Campbell Associates (structural engineer)	39	Architectural drawings and sketches.	One of the garages Ward is well-known for based on its intricate design, utilizing curves and angles.	Images available in Jasper Ward photograph collection (022PC26)
50	Personal Care Home	#176	unknown	Greensburg, Ky.	1969-1970	Medical		19	Floor plan, sketches and elevations for a nursing home. Resembles other nursing home projects Ward worked on in Greensburg that same year and may represent a later stage in design. Also has same layout as another nursing home designed in Glasgow, Ky.	Also called Green Hill Manor.	Images available in Jasper Ward photograph collection (022PC26)

50	Owenton Manor		U.S. 127 N.	Owenton, Ky.	1977	Medical		9	76 Bed I.C. nursing home. Architectural drawings, site plan, and elevations. Uses very similar layout to other nursing homes Ward designed, such as Bellepoint Nursing Home Franklin Manor, Lake Haven Health Care Center, and Best Personal Care Home.		
51	Eduplay		unknown	Louisville, Ky.	1971	Commercial		6	Architectural drawings and concept sketches for a daycare. Ward seemed to have worked on a number of projects for this company during the 1970s.		
51	Day Care Center, Apartment Peabody - Terril & Goldsmith		unknown	Louisville, Ky.	undated	Commercial		3	Architectural and Structural Drawings.		
51	Eduplay Building, Kentucky Commission of Human Rights, Lawyer's Building		7th Street	Louisville, Ky.	1972; 1974	Commercial	M. T. Shaw (engineer)	28	Architectural and Structural Drawings. Includes "joint site plan" for an adjoining "Lawyers Building" as well.	Missing A13. Eduplay Offices Downtown on 7th St. and Muhammad Ali Blvd. in Louisville. The office building and daycare center were completed in 1972; later became The Louisville Cancer Center. EduPlay is a daycare facility based on the benefits of discovery and education through play and exploration for children.	Images available in Jasper Ward photograph collection (022PC26)
51	Rockford Manor, Intermediate Care Home; Rockford Lane Day Care	083-43094	4724 1/2 Quinn Drive	Louisville, Ky.	1973-1975	Commercial, Medical?	King & Pitan Land Surveyors; M. T. Shaw (engineer)	25	Architectural and Structural Drawing.	Address is listed on cover page but seems questionable. Day care seems to be missing A1. An intermediate care home, on Rockford Lane in Louisville; EduPlay is a daycare facility based on the benefits of discovery and education through play and exploration for children.	
51	Klondike Manor, Intermediate Care Home	083-43047	3802 Klondike Lane	Louisville, Ky.	1972	Commercial, Medical?	M. T. Shaw (engineer)	13	Architectural and Structural Drawings.		Images available in Jasper Ward photograph collection (022PC26)

52	Alterations to Building for Charing Cross Co., Measured Drawings, Care Inc. Renovations		1124-1128 S. 1st Street	Louisville, Ky.	1978; 1979; 1983; 1984	Residential		20	Architectural Drawings and Elevations. Contains floor plans for two renovations of the same buildings.	Pages adhere. Handle with care. Remodeling and restoration for multi-family units for Charing Cross, between 1983-1986, related to limited partnerships for multi-family rental units for tax credits - Historic Preservation	
52	Alterations to 1226 S. Second St for Charing Cross Company		1226 S. 2nd Street	Louisville, Ky.	1983	Residential		4	Floor plans and elevations.	Remodeling and restoration for multi-family units for Charing Cross, between 1983-1986, related to limited partnerships for multi-family rental units for tax credits - Historic Preservation	
52	Alterations to 109 West Burnett for Charing Cross Company		109 W. Burnett	Louisville, Ky.	1983	Residential		5	Floor Plans and Demolition Plans. Broadly representative of many such buildings Ward worked on for Charing Cross.	Remodeling and restoration for multi-family units for Charing Cross, between 1983-1986, related to limited partnerships for multi-family rental units for tax credits - Historic Preservation	
52	Alterations to 1238-1240 S. 1st St for Charing Cross Company		1238-1240 S. 1st Street	Louisville, Ky.	1982	Residential		3	Architectural drawings (A1-A3).	Remodeling and restoration for multi-family units for Charing Cross, between 1983-1986, related to limited partnerships for multi-family rental units for tax credits - Historic Preservation	
52	Alterations to Building at 1317 South First Street for Charing Cross Co.		1317 S. 1st Street	Louisville, Ky.	1983-1984	Residential		4	Architectural drawings (A1-A4).	Measured drawings. Remodeling and restoration for multi-family units for Charing Cross, between 1983-1986, related to limited partnerships for multi-family rental units for tax credits - Historic Preservation	

52	Alterations to 216-226 Burnett for Charing Cross Company	221	216-222 Burnett Avenue	Louisville, Ky.	1981-1982	Residential		6	Architectural drawings (A1-A4) and elevations/sketches.	Remodeling and restoration for multi-family units for Charing Cross, between 1983-1986, related to limited partnerships for multi-family rental units for tax credits - Historic Preservation	
53	Watterson Expressway Buffering	#296J	Watterson Expressway	Louisville, Ky.	undated	Transportation		7	Sound Buffering and Terraced Wall for the Watterson Expressway. Include plans, elevations, and sketches.		Images available in Jasper Ward photograph collection (022PC26)
53	Unknown Building		unknown	unknown	undated			2	Sketch/Elevation for an unknown building. Negative photostat.		
53	Miller Café		unknown	unknown	1979	Commercial		1	Elevation sketch on tracing paper. "Miller Café" written in bottom right corner.		Images available in Jasper Ward photograph collection (022PC26)
53	Unknown Building		unknown	unknown	undated	Commercial		1	Likely a proposal for a project that was never built. Rendering on presentation board.		
53	St. Stephen Baptist Church Addition	#408	1008 S. 15th Street	Louisville, Ky.	undated	Religious		2	Floor plan and exterior drawing for church additions for Rev. Kevin Cosby.		Images available in Jasper Ward photograph collection (022PC26)
53	Unknown Residence		unknown	unknown	1987			16	Sketches and Floor plans for a residence. Includes elevations for a unique covered entranceway labeled "mouse's eye view."		
53	George Bloch		unknown	unknown	1989	Residential		2	Floor plans for first and second floor. Includes an elevation on tracing paper that may or may not be related.		
53	Unknown Structure		unknown	unknown	undated			4	Renderings of a building's exterior, colored in a variety of palettes. Found near drawings of Male High School, but has no resemblance.		
53	Alteration and Addition to Residence for Dr. & Mrs. Glenn Barnes		403 Trinity Hills Lane	Louisville, Ky.	undated	Residential	J. T. Taylor (architect)	3	Floor Plan for a deck and assorted sketches.		

53	Unknown Buildings		unknown	Louisville, Ky.?	undated			1	Renderings of the exterior of two buildings, labeled 721 and 719. Look like downtown Louisville, but no street is labeled.		
53	The Barn		Blackiston Mill Road	Clarksville, Ind.?	undated	Residential		6	Floor plans and elevation. Seems to be residence built into a Barn building. Location/date unclear.		
53	Development Proposal		200 Block of 4th Avenue	Louisville, Ky.	undated	Commercial?		5	Sketches, elevation, and a map for 4th Avenue. Not immediately clear what this project was meant to be, or if all pieces are parts of the same overall proposal.		
53	Unknown Building		unknown	unknown	undated	Commercial?		10	Unknown project. Includes floor plans for a "Lounge and Vending" area along with classrooms, as well as a "rental area." Purpose and location unclear.		
53	Dr. James		unknown	unknown	1975	Medical		4	Architectural drawings for a doctor's office (A1-A4). Exact location is not clear on the document.		
53	Unknown Building		unknown	unknown	1982	Residential		28	Series of sketches on tracing paper for a home from September 1982. Preliminary draft for a residence - includes notes which provide some insight into the design process.		
54	Martin Residence		Jeness Court	Louisville, Ky.	1974	Residential		14	Sketches, Floor Plans, and Elevations for Boyce Martin.		
54	Unknown Parking Garage		unknown	unknown	undated			2	Negative photostats of site plan and elevation for a parking garage.		

54	Sixth and Hill Development		6th and Hill	Louisville, Ky.	1984	Residential		13	Elevations, sketches, drawings, and floor plans for a proposed development on Sixth and Hill. Unsure if this project was completed. Also includes map of old Louisville and drawings seemingly of the area on tracing paper.		Images available in Jasper Ward photograph collection (022PC26)
54	Theatre Louisville		unknown	Louisville, Ky.	undated			10	Negative photostats of sketches and plans for a theatre. Unknown if this was built.		
54	House for Vernon Robertson; Vernon Robertson Solar House	#287	unknown	Gethsemane, Ky.	1977	Residential	E. R. Ronald Jr. (Mechanical Engineer)	14	Drawings, sketches, and floorplans.	Begun in 1977 and completed in 1979; Gethsemane, Ky. Drawings and photos on board showcase unique method of solar heating and cooling. House is in the Modern style.	Images available in Jasper Ward photograph collection (022PC26)
54	Mike Walsh	#172	200 E. Market Street?	Louisville, Ky.	1967	Commercial?		2	Sketches, Floor Plans, and Elevations on photostat. Might be Mike Walsh Liquors.	Might be Walsh Liqours, which was located at 200 E. Market St. and designed by Ward's firm. Construction on Walsh Liquors was completed in 1968 by Brit Construction Company.	Images available in Jasper Ward photograph collection (022PC26)
54	Unknown Building		unknown	unknown	undated			2	Photostats showing exterior drawing of an unknown building.		
55	Lakewood Baptist Church	#418	13803 Shelbyville Road	Louisville, Ky.	1986, 1988	Religious	Hearthstone Builders (timber frame design standards)	52	Architectural drawings and sketches for Lakewood Baptist Church. Includes concept sketches for the exterior, including interesting drawings of the cross to be placed at the top of the building. Also contains site plans, photos, and negatives in a manilla folder.		Images available in Jasper Ward photograph collection (022PC26)
56	Metropolitan Development		112 S. 7th Street	Louisville, Ky.	1992	Commercial		1	Reflected ceiling plan.		
56	St. Francis of Assisi Community Center	431	unknown	St. Francis, Ky.		Religious	Deyatek Consultants Inc. (engineers)	6	Architectural drawings and sketches for ceiling and trusses.		

56	J. B. Speed Art Museum		2035 S. 3rd Street	Louisville, Ky.	1992	Educational	Geddes Breecher Qualls Cunningham; Louis and Henry, Incorporated; Vinokur-Pace Engineering Services, Inc.; Claude R. Engle; Hanna / Olin, Ltd.	36	Architectural drawings for "existing building plans", blueprints, and proposed additions and alterations.	Supposedly went unused.	
57	Development Plan, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968	Educational		2	Topographical Map/Site Plan of Alice Lloyd College Campus.	Ward hired to develop a master plan for Alice Lloyd College in 1960. The college hoped to attract more students with an expansion of the campus.	Images available in Jasper Ward photograph collection (022PC26)
57	Unknown Building Elevation	#86	unknown	Pippa Passes, Ky.	undated			1	Unlabeled elevation sketch. Looks like a residence, but unlabeled. Presumably a part of Alice Lloyd collection.		
57	Cushing Hall Entrances, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1970	Educational		1	Partial Plan and Elevation.		
57	Sections A-A, B-B, and C-C	#86	unknown	Pippa Passes, Ky.	1969	Educational		1	Sections for various buildings. Found with Alice Lloyd documents.		
57	Parking, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1969	Educational		1	General Plan for Parking Site.		
57	Dormitory Apartments, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1969	Educational /Residential		1	Apartment Plans for Carrick Dormitory.		
57	Proposed Residence for Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968	Educational /Residential		8	Floor Plan and Elevations for a residence. Labels are vague but found together.		
57	Conversion of Boy's Dorm to Girl's Dormitory	#86	unknown	Pippa Passes, Ky.	1966	Educational /Residential		1	Single sketch on tracing paper.		
57	Residence for Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1963	Educational /Residential		11	Drawings, elevations, and sketches for a residence.		
57	Girl's Dormitory Complex, Old Girl's Dorm Remodeling, Alice Lloyd College,	#86	unknown	Pippa Passes, Ky.	1965, 1969	Educational /Residential	Kenneth J. Roy (engineer)	11	Architectural Drawings and Mechanical Drawings for "Girl's Dormitory Complex" and blueprints for "Girl's Dormitory."		Images available in Jasper Ward photograph collection (022PC26)

57	Boy's Dormitory, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968	Educational /Residential	Kenneth J. Roy (engineer)	27	Blueprints, Architectural Drawings, Mechanical, Structural Plans. Includes miscellaneous drawings, elevations, and sketches as well found with the foundation plan as well.	The male dormitory at Alice Lloyd was designed and built between 1960-1969. It had two eight-student suites on each of the 3 floors. Suites were divided into separate areas for sleeping, studying, and dressing. Stone used in construction, fortress-like feel. Originally 3 dormitories were planned but only one built.	Images available in Jasper Ward photograph collection (022PC26)
57	Health, Physical Education & Recreation Facility, Preliminary Gymnasium, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968, 1970	Educational		5	Site Plan and drawing. Includes Preliminary Gymnasium as well.	Unsure if this was built.	
57	Student Snack Bar, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1977	Educational	E. R. Ronald (engineer)	2	Sketch and Electrical Floor Plan. Unsure if this project was built.		
57	Alice Lloyd College, Campus Improvements (general site maps)	#86	unknown	Pippa Passes, Ky.	undated	Educational		3	Site maps and drawings.		
57	Art Building Remodeling, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1969	Educational		7	Drawings.	Supposedly went unused.	
57	Creekside Dormitories, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1970	Residential/ Educational		33	Architectural and Mechanical Drawings. Also include drawings for "service building", "site improvements", and "change orders." Creekside dormitory, coed building and part of Alice Lloyd College campus plan. Series of three wood-framed walkways that crisscross at varying levels.		Images available in Jasper Ward photograph collection (022PC26)
57	Contour maps, Alice Lloyd College Campus	#86	unknown	Pippa Passes, Ky.	1968	Educational	E. V. Tredway (survey)	9	Aerial maps of campus. Also includes oversized site map of whole campus.		
58	Dining over Science, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	undated	Educational		21	Set of drawings and floor plans for building referred to only as "Dining Over Science."	Lacking in clarity. Was this a dorm? Floor plans show bedrooms. Kept near stray Science Building papers and seems at least somewhat related.	

58	Science Planning at Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968, 1970	Educational	Kaestner/Lynch & Associates (Mechanical Engineer) Senler/Campbell & Associates (Structural Engineer)	55	Drawings, notes, sketches, and pictures for Science Building.	Seems associated and has some documents in common with the New Science Building. Placed in same folder to keep them together.	
58	New Science Building, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968, 1970	Educational		54	Architectural drawings, sketches, and notes.	The science building was designed and built between 1960-1969; it was constructed of reinforced concrete, stone, and glass. Project received an AIA Kentucky Award for Excellence in Architectural Design in 1977.	
58	Science Building, Alice Lloyd College	#86	unknown	Pippa Passes, Ky.	1968	Educational	Kaestner/Lynch & Associates (Mechanical Engineer) Senler/Campbell & Associates (Structural Engineer)	37	Architectural Drawing (A-16 and an un-numbered entry) along with Mechanical and Electrical drawings.	A17 seems to be missing.	Images available in Jasper Ward photograph collection (022PC26)

59	Sixth and Main Parking Garage	#364 24720	6th and Main Streets	Louisville, Ky.	1985-1987, 1989, 1992	Municipal	Luckett & Farley Hazelet + Erdal Inc. Kyana Sheet & Iron Co.	127	Sketches, drawings, site plans for a parking garage.	Items are varied and a bit disorderly. Some are torn - handle with care. Constructed c. 1987, 6th near Main Street, multi-level garage with round central stairwell. A collaboration with Luckett & Farley Architects, Engineers, and Construction Managers, Inc. The garage was awarded the Excellence in Architectural Design from the Kentucky Society of Architects in 1988. Ward's firm, specifically Greg Schrodt, also designed the 28 ft. tall windchime that hangs over the exit along 7th St. Another example of Ward treated mundane building types with style, use of curves, angles, and staggered lines. Project received an AIA Kentucky Award for Excellence in Architectural Design in 1988.	Images available in Jasper Ward photograph collection (022PC26)
60	Third Bay Addition to 120 South Sixth Street Garage for City of Louisville, Parking Authority of River City, Inc. (PARC)	364-A	120 S. 6th Street	Louisville, Ky.	1990	Municipal	Luckett & Farley	27	Architectural and Structural Drawings, plumbing and electrical plans.		
60	Pre-Fabricated for Sixth and Main Parking Garage		6th and Main Streets	Louisville, Ky.	1986	Municipal	Luckett & Farley	4	Drawings.		
60	Functional Plan, West Main Street Parking Garage		W. Main Street	Louisville, Ky.	1985	Municipal	Wilbur Smith and Associates, Inc.	28	Drawings and floor plans. Possibly related to 6th and Main.		
60	Louisville Windchime Gateway		6th and Main Streets	Louisville, Ky.	1991	Municipal	Hazelet + Erdal, Inc (engineering)	35	Drawings and Elevations for Windchimes.	Windchimes over award-winning Sixth St. parking garage. In 1988, Ward's firm, specifically Greg Schrodt, designed the 28 ft. tall windchime that hands over the exit along 7th St.	Images available in Jasper Ward photograph collection (022PC26)

61	City Parking Garage		120 S. 6th Street	Louisville, Ky.	1971	Municipal		8	Architectural Drawings. Potentially associated with Sixth and Main Parking Garage.		
61	Sixth and Main Parking Garage	24720-5	6th and Main Streets	Louisville, Ky.	1985	Municipal	Luckett & Farley	50	Architectural, Structural, Plumbing, Electrical, and Mechanical Drawings.	Pages are slightly torn. Handle with care. Project received an AIA Kentucky Award for Excellence in Architectural Design in 1988.	
62	Old Louisville Male High School - Renovation	434	911 S. Brook Street	Louisville, Ky.	1991-1992	Educational	Hazelet + Erdal (engineers)	62	Architectural and Structural Drawings. Untitled elevations and sketches.	Includes duplicates with slightly different details.	
62	Male High School Weight Room		911 S. Brook Street	Louisville, Ky.	1986	Educational	Donald E. Schnell Associates (architect)	2	Drawings.		
62	Male High School - 1978 Summer Renovations Various Schools	33-77-A10	911 S. Brook Street	Louisville, Ky.	1978	Educational	Donald E. Schnell Associates (architect) E.R. Ronald & Associates (consulting engineers)	6	Floor plans and architectural drawings.		
62	Gymnasium and Addition to Louisville Male High School		Brook and Breckinridge Streets	Louisville, Ky.	1938	Educational	Colley & Hartstern (Architects and Engineers)	17	Blueprints.		
63	Student Activities Center, Belknap Campus, University of Louisville	#332 8428	2199 S. Floyd Street	Louisville, Ky.	1985, 1988	Educational	Johnson/Romanowitz/Architects White, Walker, & McReynolds (Consulting Engineers), E.R. Ronald & Associates, Consulting Engineers (Consulting Engineers)	87	Architectural and Structural Drawings. Ends at A50. Also, Courier-Journal article dated Sept. 30, 1990 re: UofL's new Student Activity Center.	Very dense. Split into two folders. Major renovation to UofL's campus. Ward was associate architect for design but the campanile was the idea of Bob Douglas.	Images available in Jasper Ward photograph collection (022PC26)

63a	Student Activities Center, Belknap Campus, University of Louisville	#332 8428	2199 S. Floyd Street	Louisville, Ky.	1985, 1988	Educational	Johnson/Romanowitz/Architects White, Walker, & McReynolds (Consulting Engineers), E.R. Ronald & Associates, Consulting Engineers (Consulting Engineers)	88	Architectural and Structural Drawings. Begins at A51.	Very dense. Split into two folders. Major renovation to UofL's campus. Ward was associate architect for design but the campanile was the idea of Bob Douglas.	Images available in Jasper Ward photograph collection (022PC26)
64	Big Four Bridge - Urban Development Proposal	#192	1101 River Road	Louisville, Ky.	1969; 1981	Municipal		15	"Pratt Thesis 1969." Base maps: land use, social use, building condition, acquisition of land in downtown Louisville and Jeffersonville Ind., near bridge. Also 2 sketches of proposed shops on bridge.		Images available in Jasper Ward photograph collection (022PC26)
65	Doctor's Office Building	#186	Floyd & Liberty	Louisville, Ky.	1967-1971	Commercial		79	Drawings (A, E, M), photos, paintings on posterboard, and sketches. Designed in 1966 and completed in 1972. Awarded the Portland Cement Association Award in 1971. Unique forked design; extant as of 2021.	Very dense. Split into two folders.	Images available in Jasper Ward photograph collection (022PC26)
65a	Doctor's Office Building	#186	Floyd & Liberty	Louisville, Ky.	1967-1971	Commercial		119	Drawings (A, E, M), photos, paintings on posterboard, and sketches. Designed in 1966 and completed in 1972. Awarded the Portland Cement Association Award in 1971. Unique forked design; extant as of 2021.	Very dense. Split into two folders.	Images available in Jasper Ward photograph collection (022PC26)

66	Warehouse -F Belvedere Corporation	7360	unknown	Louisville, Ky.	1940	Commercial	Smith Hinchman & Grylls (Architects and Engineers)	4	Blueprints.		

67	Renovation of The Dismas House		124 W. Oak Street?	Louisville, Ky.	1985, 1987	Residential		9	Architectural drawings.	124 W. Oak might be the address for this building, but may refer instead to the main office. Unclear if this is the main office or not. Dismas Charities, Inc. hired Ward to renovate a number of their buildings, including a Conference Center, the Dierson Center, the Louisville Center, the Portland Center, the St. Patrick's Center, all in Louisville, and the Women's Facility in Owensboro, KY. The Dismas Charities assists men and women recently released from state and federal incarceration, providing skills and motivation. Begun in 1964, it is affiliated with the Catholic Church.	Images available in Jasper Ward photograph collection (022PC26)
67	Dismas House of Owensboro	162D	unknown	Owensboro, Ky.	1990	Residential	Baxter - Martin, P.S.C (consulting engineer)	7	Architectural drawings.	Dismas Charities, Inc. hired Ward to renovate a number of their buildings, including a Conference Center, the Dierson Center, the Louisville Center, the Portland Center, the St. Patrick's Center, all in Louisville, and the Women's Facility in Owensboro, KY. The Dismas Charities assists men and women recently released from state and federal incarceration, providing skills and motivation. Begun in 1964, it is affiliated with the Catholic Church.	Images available in Jasper Ward photograph collection (022PC26)
